Education

University of South Carolina

Columbia, SC

Bachelor of Science in Computer Science | Expected: May 2028

- **GPA: 4.00** | Academic Scholar Merit Award (\$40,000) | President's Honor List
- Related Coursework: Advanced Programming Techniques, Algorithmic Design II, Discrete Structures, Unix/Linux Fundamentals, Digital Logic Design, Calculus II
- Organizations: Kappa Theta Pi, Women in Computing, Association of Computing Machinery

Technical Skills

Languages: C++, Java, Python, Swift, TypeScript

Developer Tools: Git, GitHub, Linux, Xcode, VS Code, Eclipse, WebStorm

Technical Projects

Kappa Theta Pi Member Website – Web Developer

December 2025 – January 2026

- Designed and implemented the entire public-facing landing page and built an executive application review dashboard to view and manage rush applications
- Collaborated on a 3-person frontend team and integrated UI components with backend authentication logic
- Used Git for version control with 20+ feature branches, pull requests, and code reviews

Wheels Harbison Area Transit Website – Web Developer

October 2025 – November 2025

- Developed 10+ TypeScript components to support dynamic content and state handling
- Built responsive, WCAG-compliant layouts and improved accessibility for screen readers
- Collaborated with a 6-person project team using GitHub and Jira for sprints and code reviews

EatFresh App – iOS Developer

June 2024 – October 2024

- Designed and implemented search and multi-filtering logic in Swift, improving data retrieval for farms and markets
- Built reusable SwiftUI/UIKit components and structured app logic for scalability and data flow

Adaptive Real-Time Systems Laboratory (ARTS-Lab) – Researcher

January 2026 – Present

- Selected as an undergraduate researcher; upcoming work focuses on real-time and adaptive systems

Leadership & Involvement

Teaching Assistant, Algorithmic Design II, Intro to Programming

December 2024 – Present

- Support classes of 16–30 students with programming assignments and study materials
- Provide feedback and grade 50+ projects, reinforcing understanding of algorithms and syntax

Director of Marketing, Kappa Theta Pi

September 2025 – Present

- Direct marketing strategy for Kappa Theta Pi, overseeing branding, visual identity, and chapter-wide promotional initiatives
- Design and produce digital content like Instagram graphics, event promotions, and merchandise using Canva and Adobe Photoshop

Professional Experience

Milton Hoosic Club – Lifeguard

June 2023 – August 2025

- Enforced safety protocols and supervised swimmers for 6+ hours a shift

Blue Hills Ski Area – Customer Service Representative

December 2021 – March 2023

- Sold 100+ tickets daily and handled customer inquiries with professionalism and efficiency
