EXPERIENCE

BlueCross BlueShield of South Carolina | Columbia, SC **May 2026 - Present**
Incoming IT Analyst Intern (full-time)

- Selected for a Summer 2026 IT Analyst Internship supporting data analysis, access management, and HEDIS-focused analytics to drive operational and quality insights

University of South Carolina | Columbia, SC **Sep 2025 - Present**
IT Analyst Assistant (Part-Time)

- Analyzed and resolved 100+ hardware, software, and access-control incidents per semester, identifying recurring issues to improve system reliability.
- Audited and reconciled asset data for 500+ devices, maintaining 98%+ inventory accuracy and supporting IT compliance efforts.
- Evaluated system configuration data during campus IT deployments, ensuring accurate provisioning and reducing operational downtime.

Publix | Columbia, SC **Dec 2024 - Present**
Customer Service Front Desk Staff (Part-Time)

- Delivered high-quality customer service to 100+ customers per shift, handling transactions, returns, inquiries, and customer complaints with accuracy and professionalism
- Managed high-volume cash and POS operations with near-perfect accuracy while effectively de-escalating issues in a fast-paced environment

PROJECTS

Puzzle Palace | Game Project **Aug - Dec 2025**

- Developed an interactive JavaFX escape-room game featuring 3 difficulty levels, multiple rooms, and 20+ logic, math, and word puzzles using an MVC-style architecture within an Agile Scrum team environment
- Implemented core game systems including scoring, timers, hint limits, difficulty multipliers, and progress tracking, improving gameplay flow and replayability
- Designed modular backend logic using a Facade pattern to manage puzzles, rooms, player state, and transitions, enabling clean separation between UI and game logic

LEADERSHIP EXPERIENCE

Winter Days Charity Inc | Columbia, SC **Dec 2021 - Dec 2023**
Lead Director

- Led a multi-week community outreach initiative, coordinating with 10+ schools/organizations and managing 30-50 volunteers to collect and distribute 1,000+ food items to homeless communities.
